SCHEDULE A: SERVICE LEVEL AGREEMENT (SLA)

This Service Level Agreement governs the performance and availability commitments provided by XYZ Software Services Inc. to ACME Corporation under Master Agreement v2.

SECTION 1. PLATFORM UPTIME GUARANTEE

Platform availability is guaranteed at 99.9% measured on a calendar month basis. Scheduled maintenance shall occur only between 02:00 and 04:00 UTC on Sundays.

SECTION 2. SERVICE CREDITS

In the event of uptime below 99.9%, Customer is entitled to receive a 10% service credit applied to the subsequent monthly billing cycle upon written claim within 30 days of month end.

SECTION 3. INCIDENT RESPONSE TIERS

Priority 1 Critical outages require response within 15 minutes and continuous updates every 60 minutes until resolution.

SECTION 4. QUARTERLY REVIEW AND AUDIT

Operations leadership from both Customer and Vendor shall meet quarterly within 30 days of quarter end to review SLA performance, incident logs, and service improvement plans.
